### LOCATION OF THE ACCOMMODATION

The house is situated in a quiet area, 6 minutes' walk from Grund train station, terminal station and the Männlichen cable car. The bus stop is close by.

### FEEDBACK FROM OUR GUESTS

«Location was perfect! 5 minutes to both Grund (mountain trains) and Terminal (mountain cable cars). It's almost 15 minutes uphill walk to the town centre. Property layout is also very good with excellent view of the Eiger and with a balcony and front deck it was awesome to sit outside for the views. There is also parking for a couple of cars. A wide variety of cutlery and utensils also available.»
